

Total P Removal Efficiency

Total Ortho P Measured in North Alkali Drain

Total Ortho Phosphate Removed

Dissolved P Removal Efficiency

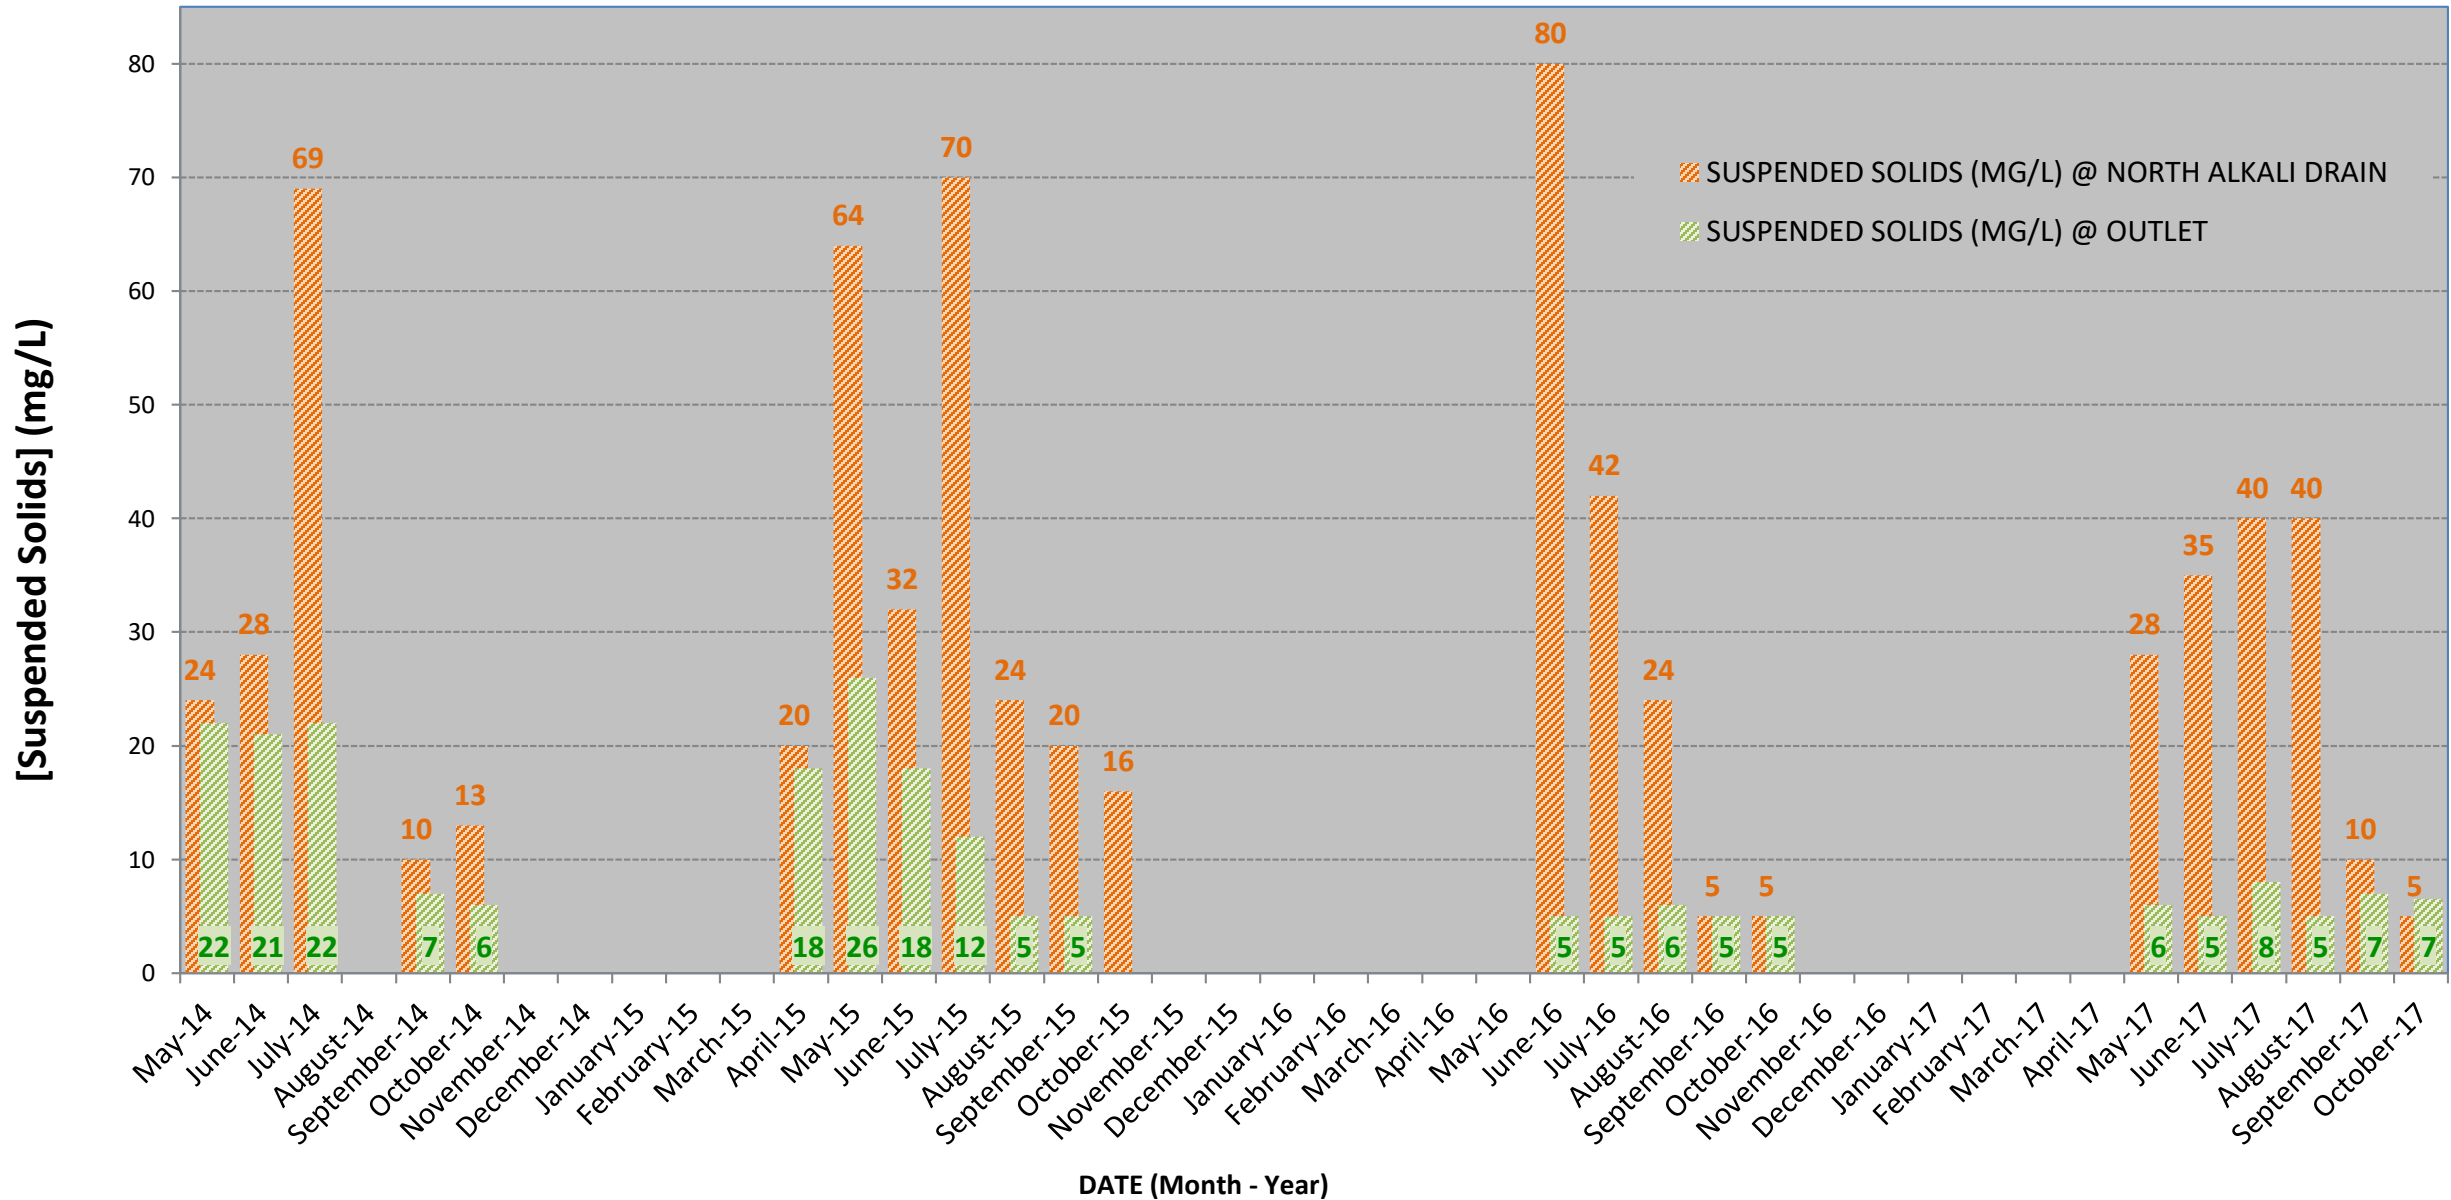

Percentage of Total P from Ortho P

North Alkali Drain
Water Quality Improvement Pilot Project at the Boren Family Farm

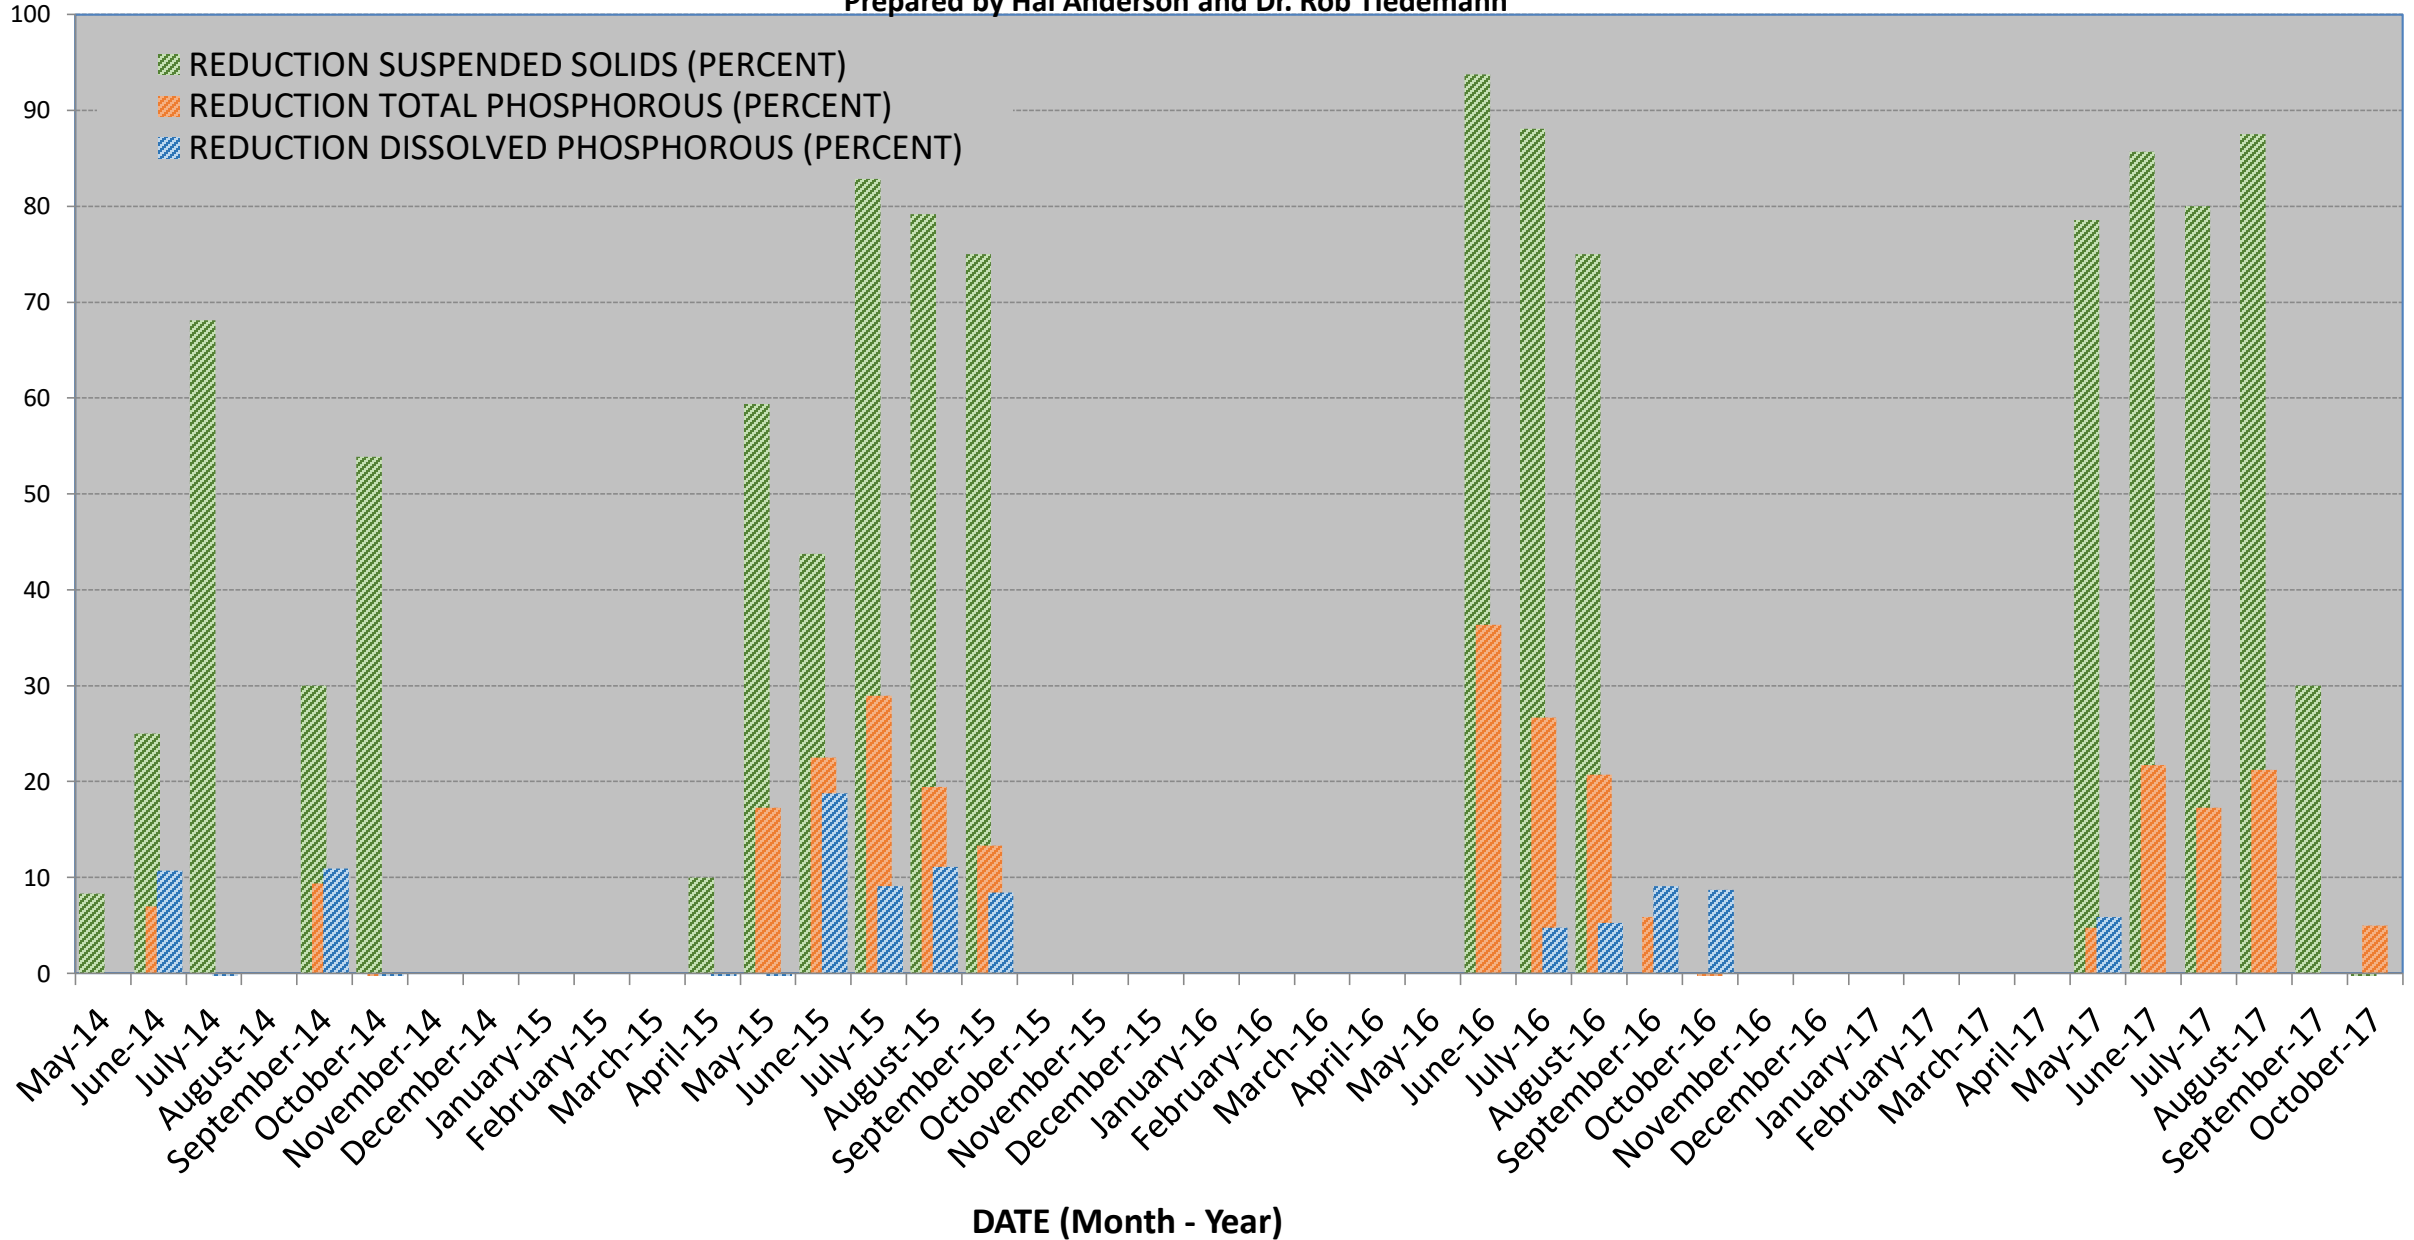

Measured Suspended Solids in the North Alkali Drain and Outlet of the Project
Prepared by Hal Anderson and Rob Tiedemann, Ph.D.

North Alkali Drain
Water Quality Improvement Pilot Project at the Boren Family Farm

Calculated Percent Reduction of Total Suspended Solids (TSS), Total Phosphorous (TP), and Dissolved Phosphorous (DP) Attributable to the Project
Prepared by Hal Anderson and Dr. Rob Tiedemann

Percent Reduction in [SS], [TP], and [DP]

Total Annual Phosphorus Removed North Alkali Project

TSS Removed North Alkali Project

Measuring Water Quality in North Alkali Drain
